## SINOSSI

Cosa fai se al tuo primo giorno di liceo tutti ti deridono e ti prendono in giro?. Sopraffatto dalla disperazione, vai dallo psicologo della scuola - che però come te si trova sull'orlo del baratro - e gli dici che non sai più come fare. "Il solo consiglio che ho per te - afferma il dottore - è mentire. Perché i vincitori mentono sempre, ed i bugiardi vincono sempre! Segui il consiglio, e inizia a lavorarci sù: il cane ha mangiato i miei compiti, mia madre è un artista famosa in tutto il mondo, mio padre è una rock star e guida una fiammante Porsche....Così anche l'insegnante più sexy, e la ragazza più attraente della scuola non riusciranno più a resisterti, né a staccare le loro mani dalla patta dei tuoi pantaloni!". Enormi balle...che vanno a segno, Con conseguenze a dir poco imprevedibili!!.
